Siemens South Africa
Digital Factory / Process Industries & Drives

Dear Siemens Customer,

The Siemens South African Digital Factory & Process Industries & Drives Division has taken a strategic business decision to implement a minimum order value. This value will be R 2000.00 RSA list, excluding VAT, effective from the **1st of June 2017**. This order limit will apply to all orders received by Siemens, placed via "Industry Mall", e-mail, fax or any other means.

The Siemens Distribution network is currently tasked with consolidating smaller orders and orders from non-Siemens account holders. We kindly request that in cases where the order value is below the minimum, that you utilize this existing network of Siemens Authorised Distributors.

Please speak with your Sales Representative should you have any further questions.

We thank you for your continued support. Please do not hesitate to contact us should you have any questions in this regard.

With kind regards,

Ralf Leinen
Vice President: DF / PD
Southern & Eastern Africa

Lloyd Naidoo
Vice President : Business Administration
DF / PD
